

Update instructions for the Ultraplus 990HD

Put the USB stick (with the new channel file on it) in to the USB port at the back of the Ultraplus 990HD

Press Menu

Go across to setting using the right arrow

Press ok

Go down to software upgrade using the down arrow

ok

Press ok on USB Transfer

Press Ok

Go down to 990 Channels and press ok , press yes (ok) if asked to

The unit will then reboot and you will have the update
